

MOUNT LAWLEY SENIOR HIGH SCHOOL LAWLEY UPDATE Term 1 February 2012 No. 2

PRINCIPAL'S REPORT

Nomination papers for parents for the parent representative on the School Board have now been posted. There is one parent position for a term of two years. The successful parent will join Mr Carl Penkin and the P&C representative to be elected next week as parent members. The other positions include Staff (3 positions), community representatives and students (2 positions). Nominations for the position close at 4:00pm on Friday, 24 February 2012. Nominees are asked to provide a 200 word statement that will be sent with ballot papers for parents to consider in voting.

The first meeting of the Board for 2012 is Monday, 20 February 2012. The members will provide guidance on the current school planning direction and consider the broad school budget in terms of the staffing component. The Board meeting of 19 March 2012, which will be the first meeting of the "new" Board is also the Annual General Meeting. Whilst all Board meetings are open, and parents may attend, this is the "official" open meeting that must be held each year. As required, this meeting is advertised in this Update. As the Board is not an incorporated body, there is no requirement to advertise in the press.

Monday, 27 February 2012 is the first P&C meeting of the year. This is the Annual General Meeting and all positions will be declared vacant and filled by election. Long serving President, Ms Suzie Barnes, has publicly stated that she is standing down. Ms Barnes has served the Association, and the school community, with distinction. The school has been graced by outstanding parent leadership and whilst Ms Barnes' contribution will be missed, there is an opportunity for a new President to be elected to continue the tradition of parent contribution and leadership. The AGM is always well attended. All parents are encouraged to attend and exercise the opportunity to play a role in the life of the school.

Recently, the Aboriginal students in the Middle School visited the Rock Solid Foundations at Edith Cowan University. This is a set of stones listing Aboriginal graduates of ECU and its heritage institution by decade. The students were asked to consider the hard work, perseverance and commitment to excellence exhibited by these graduates. These qualities were commended to the students. The school's Aboriginal Excellence Program will continue this year and will see a range of services available. This includes an innovative mentoring program by the School

of Education at ECU. The school will be seeking Special Program status for the AEP for 2013.

This week has seen several significant events. On Monday, a GATE information evening was held for 2014 entry. This was extremely well attended and Department of Education staff outlined the various GATE programs to parents.

Henry Thai (Year 10) and Brittany King (Year 10) spoke at the event outlining this school's GATE Languages program to parents. This was a daunting task and both did an excellent job in giving a student's perspective. Peter Logue was an energetic and friendly welcoming officer who guided parents to the meeting. Thank you to all for their excellent contribution.

The annual Year 8 BBQ was conducted Tuesday with again, an outstanding attendance. Parents were able to listen to a presentation on the Year 8 program, meet teachers and then engage in conversations with teachers and parents over a sausage sizzle. Thank you to Andrew Paul and Suzie Barnes for being chefs extraordinaire and all staff for attending. The attendance of parents was greatly appreciated.

On Wednesday, 15 February 2012, the Premier of Western Australia, the Hon. Colin Barnett, MLA unveiled the school's "General" Terracotta Warrior. The "General", along with the "Captain" stationed outside the library, were acquired from the authorised replica factory in Xi'an, China in 2010. Also attending were the Minister for Education, the Hon. Dr Elizabeth Constable, MLA and the Consul-General of the People's Republic of China, Madame Wang Yiner. Madame Wang and the Premier spoke about the strong relationship between China and Western Australia. The ceremony acknowledged the 30 years and more of Mandarin teaching at Mount Lawley SHS.

Parent, Mrs Sandra Tate made the cover for the "General" and as the Premier pulled the bow the cloth fell away bringing the "General" to view. Former teacher, Mr Geoff Davis, AM, who taught the first Mandarin lesson in WA in 1980 at this school attended. Mr Davis continues his involvement with this school as a volunteer Mandarin teacher. Board member, and Member for Mount Lawley,

Mr Michael Sutherland, MLA negotiated the Premier's visit. Thanks to Mr Sutherland for gaining the Premier's assistance in celebrating the school's Mandarin program. A number of distinguished visitors were present and shared the event.

On Friday, 10 February 2012 the first formal whole-school assembly was held with a number of scholarships. Thanks to former School Council Chair, Mrs Christine Richardson, the school's Science Ambassador, who presented the Science Scholarship, former Council Member Ms Anne Griffiths who presented the VET Scholarship that is named in her honour and Cr Rod Willox, AM, RFD, ED, JP, representing Mr Michael Sutherland, MLA, who presented Mr Sutherland's Humanities Scholarship. The Booklist Scholarships were also presented by the Business Manager, Ms Elaine Millea. The City of Vincent Art Scholarship was presented by Mr Matthew Hunt on behalf of the Mayor of the City, The Hon. Alannah MacTiernan.

Perhaps the most prestigious scholarship, the Peter Sparbier Perpetual Mathematics Scholarship, was also presented. Mr Sparbier, a former mathematics teacher at the school left a large sum in his will for this award. It was presented by his friend, Mr Rodney Cunningham. Thank you to all presenters. The school has received a significant number of new enrolments, especially in the Senior School. This has led to an adjustment in some classes to ensure that these are within industrial parameters. Whilst I appreciate the concern of some parents where a student has had to be moved to balance numbers, it is not possible to maintain classes in excess of agreements. There has also had to be some changes in the Middle School for the same reason. In closing this Update I acknowledge the many parents who have paid their Contributions and Charges for the year. We have had a good response to all areas; including the P&C contribution, Chaplain Fund and Healthy Active account. School's rely on this income stream to meet many costs of program delivery. All funds paid by parents go to learning programs and are not retained or spent on school administration. For those parents yet to pay or make an arrangement I would urge this is addressed so that your child's classroom experience will be resourced as best as possible.
