Students with practical exams will need to negotiate times with their subject teachers.

Upper school students need to be at the morning exam/externally set task by 8.30am and ready for an 8.40am start. Similarly students need to be present by 12.30pm for the afternoon exams for a 12.40pm start.

Year 10 students attend Period 1, 2 and Form as per normal then meet at the exam room at 11.50am for a 12.00noon start for afternoon exams.

Students with special examination conditions will need to be identified before the exam commences and seated where exit disruption will be minimised. They need to make themselves known to the supervisor prior to the commencement of the exam.

*All students enrolled in a General Year 12 course are required to complete the Externally Set Task (EST) developed by the School Curriculum and Standards Authority for that course. The EST is compulsory and accounts for 15% of the final grade. The EST will take 1 hour. Further information is available in the 2016 Year 12 Information Handbook which is accessible at [www.scsa.wa.edu.au](http://www.scsa.wa.edu.au)*
