

## Program A

### ***The Files* by Mack Taylor & Jade Jensen**

From the long intense hours at the lab to the observational findings of a crime scene, join the detective squad, investigating an enigmatic homicide.

### ***The Wish* by Chelsea Cossens & Anika Dennis**

have your biggest wish come true, by drinking a potion in which we will brew. clasp the object in your hand, and draw in the magick from the land.

### ***Wasted Space* by Beth Mackiewicz, Ben Buchanan & Fran Kelly**

Submerge yourself into a deep sea diving adventure where you will encounter wonderous wildlife in the bathroom.

### ***I Wonder* by Zoe Edwards & Claudia Thompson**

Immerse yourself in the untold stories of a hospital. Experience a heart-warming story all tucked into one elevator. Warning: Confined Spaces

### ***Heightened Senses* by Hannah Rivers & Cara Jeffree**

A blind person sees more than anybody because they rely on their imagination to let them see everything. Warning: Sensory Deprivation

## Program B

### ***Lake Road* by Ivy Watson & Sebastian Smith**

Cracking bones, walking on snow, rain falling and fire burning. An auditory murder mystery that allows you within ear shot of the suspect.

### ***To Soar above the Shadows* by Emily Marriott & Amelie Wilkins**

Tell me I can do this dear, I need some help to try.  
You'll be able to do it dear, you'll be able to fly.

### ***Slumber* by Jhia-Rose Maiolo & Niamh Mathers**

You're invited to a girl's night in! Join us for the sizzling goss, crushes, disco dances, laughs, tears and most importantly who is hot and who is not.

### ***Together Alone* by Rosalind Miners**

Make space for quiet contemplation and experience a time of creative peace.

### ***Messenger* by Todd Christidis & Alex Hondros**

You are our only hope of survival, I'll tell you what you need to know but I must be quick, they're coming!
