The Year is coming to a close at a rush. The Early Start Program has begun very smoothly thanks to Julie Simon and her hard work to get the Timetable ready. She was able assisted by many of the schools Senior Staff to ensure the students were located in the right place. We will continue to evaluate this program so as to ascertain the benefit to the students.

The Year 12 students have completed their programs and the WACE exams concluded last Friday. The Year 12 Award Night was held last Thursday evening at the Hyatt. Thanks must be given to a large range of staff for the highly efficient manner in which the evening was conducted. It is hard to mention them all but particular mention needs to be made for Natalie Tempone, Andrew Paul, Mat Winter and the Student Service and the Senior School Senior Staff. I felt very proud of the way the evening ran and of the manner and way in which the Year12 students presented themselves.

I was also very fortunate in being able to attend the Middle School Assembly for term 4. The outstanding work exhibited by many of our students and the number of awards given out was quite remarkable. We have many very talented students in the school. I would like to commend the Middle School teachers for the work they do with these students because high calibre performance is dependent on good tutelage.

Friday this week, the 6th December, we will be having the Carols on Lawley Lawn. Can I commend this event to all our parents and students as one to put on your yearly calendar? It will be an evening for the family and many of our local Primary Schools will have students present who will be assisting the singing of the Carols.

I would like to take this opportunity to wish all our school community all the best for the Christmas Season. Stay safe and I look forward to seeing many of you in the New Year.

**BUILDING CONSTRUCTION ABOUT TO BEGIN**

Construction of the new Year 7 Building and Music building refurbishment is scheduled to commence on Friday 29 November with the erection of the site fence.

This project will reach completion in January 2015.

The diagram on the next page indicates the extent of the site. All students are to keep well away from the construction works. It will impact the operation of the School marginally but please note the following:

**Media & Science Centre**

- Access to the Visual Art Building, Media & Science Building and the Sports Centre will be via the central circulation route between the Library and the Visual Arts Building.

**CONGRATULATIONS**

**Wyonna (1103)** has been awarded the National Gallery Summer School Scholarship this year, she is one of only two selected for each state. Woyonna will head off to Canberra during the school holidays to engage with the staff at the National Gallery of Australia, as well as other arts professionals, artists and peers from around the nation. For a second year running Mt Lawley SHS has had two successful students selected which is a great achievement.

**Chloe (9M4)** has been selected for the 2013/14 Female U15 State Cricket Squad to represent WA at the National Championships in NSW in November.

- There shall be no access from the Middle school to the Sports Centre except via the central circulation route
- There will be no parking or vehicular access to the Sports Centre parking area.

**Sports Centre**

- A 2m wide clear route will be left adjacent the Sports Centre to be used as a fire escape.
- The garrison gates adjacent the Sports Hall must remain open whenever the Sports Centre is open and operational
- ECU Sports Centre Staff will be responsible for opening and closing these gates during the opening times of the Sports Centre.
- ECU Store Room opening onto the escape route will have limited access.

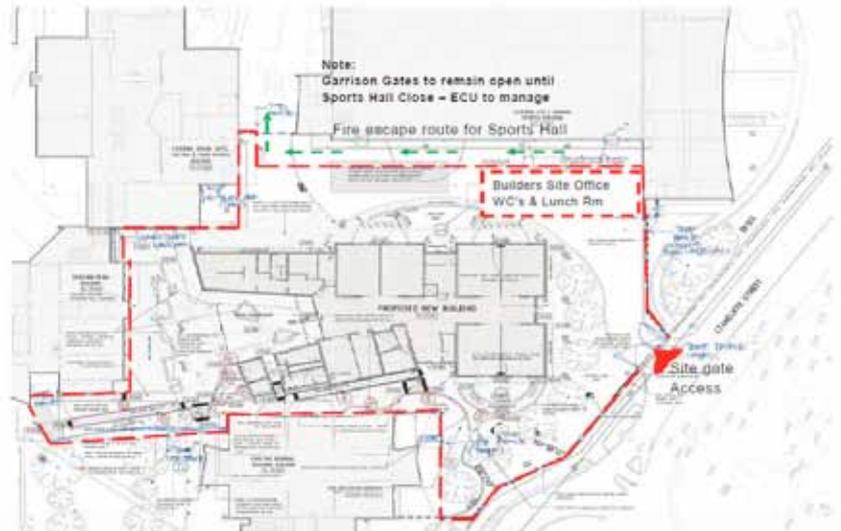

Students are not to move the fencing.

The alternative bicycle bay is at the northern end of the tennis court fencing. We will endeavour to have more suitable racks in the near future.

The building site is a hazardous environment which all students must keep well away from.

## Not-for-profit Tutoring Centre – Teach Learn Grow

Teach Learn Grow (TLG) is a charity with a Tutoring Centre that provides tutoring services to Perth students either at their home or at our Tutoring Centre in Crawley. All proceeds from our Tutoring Centre directly fund TLG's rural programs. These programs provide tutoring and mentoring services to rural and indigenous Western Australian students by sending 180 volunteer tutors to eleven different schools across the state. Tutoring with our talented and award winning tutors costs between \$50 and \$60 per hour. Register now for 2014 or start preparing for next year with some tutoring now. To register your interest, please visit [www.teachlearngrow.com.au/tutoringcentre/](http://www.teachlearngrow.com.au/tutoringcentre/) or contact us directly on (08) 9449 5668 or at [tutoringcentre@teachlearngrow.com.au](mailto:tutoringcentre@teachlearngrow.com.au)

**Overview:** Do you like to smile? The Smile Angel Perth Campaign is about giving back to the community and bringing everyone together this Christmas by brightening each other's day with a smile. It collects photos of people smiling through a photo booth in exchange for a gold coin donation to the Salvation Army Christmas Appeal and will run for 4 weekends from the 16th November. At the end of the campaign, the donated money will be presented to the Salvation Army. We believe that this is a perfect event to get the family together and dressed up as Angels and to teach the younger generations the importance of giving back to the community.

**Days and Dates:** Every Saturday and Sunday- 16, 17, 23, 24, 30 November and 1, 7, 8 December

**Venue:** Murray Street, outside Myer      **Time:** 11am- 3pm; 2 hour time shifts minimum

**Dress:** Please bring your own Angel halo and Angel wings

**For insurance purposes,** volunteers below 18 years of age must be accompanied by an adult (over 18).

If interested to volunteer or for further information, please contact Alida Cubbage 0411 885 318.
