SUBJECT SELECTION

LANGUAGES

All students at Mount Lawley Senior High School study a language for four years from Year 7 – 10, and unless there are exceptional circumstances, the language they study will be the one selected at the beginning of Year 7. Students may choose a new language in Year 7 or continue with their primary school language if it's offered.

Please note: There are now requirements from the School Curriculum and Standards Authority that students with previous knowledge of a language must take the more demanding "Background" program in Year 11 and 12, rather than the Second Language Course. For further information, go to wace1516.scsa.wa.edu.au. Mount Lawley Senior High School does not offer a background course. **Please consider this information when selecting a language.**

SELECT ONE LANGUAGE PREFERENCE

STUDENTS WHO ARE NATIVE SPEAKERS SHOULD NOT CHOOSE THAT LANGUAGE TO STUDY AS THE LESSONS ARE STRUCTURED AT BEGINNER LEVEL.

Chinese Mandarin

French

Japanese

MUSIC

All students wishing to do Music as a subject are required to audition. You will be notified of audition times which will occur in Term 3.

Do you wish to apply for our Music Program? YES NO **If Yes please complete the following:**

My child is a current Instrumental Music School Services (IMSS) student at their government primary school.

Instrument currently being studied:

IMSS Music Teacher's name:

My child currently takes private lessons in either private primary school or externally with a private provider.

Instrument currently being studied

My child has no previous tuition; however, they are interested in learning a musical instrument and joining Mount Lawley Senior High School Music Program.

IMSS and PRIVATE music students are required to bring reporting evidence to their audition demonstrating commitment and consistent effort in their instrumental studies.

Please note:

The school cannot guarantee music students their choice of instrument as each instrument has limited allocations.

All students in Year 7 have 3 periods per week on their timetable for Arts. Most students study Art, Media and Drama over the year during those 3 periods per week. Music students study Music for 2 of the 3 periods allocated to the Arts; the 3rd period is Art.

Students joining the Music Program are required to participate in instrumental lessons on a rotating timetable during school time as well as ensemble rehearsals and performances OUTSIDE of school time. Please ensure your child is prepared to fulfil that commitment before applying for the program.

The Music Program is a three year course; students need to understand that timetable changes are not made following acceptance into and commitment to the program. Late applications are subject to availability.

ACADEMIC ENRICHMENT PROGRAM

This program is most suitable for high achieving students who would benefit from extension and enrichment opportunities across the MESH subject areas. Selection for this program will be based on the results of testing which will be held at Mount Lawley Senior High School late in Term 3. More information regarding the testing process will be forwarded to suitable applicants closer to the time. Please be aware there is an \$88 fee which covers the cost of administering the test and having the results analysed by a third party.

I would like my child to be considered for the Academic Enrichment program and understand there is a cost associated with the testing.

DUE DATES

Please return this Application Form and original documents listed below with photocopies directly to Middle School Reception by **Friday 21 June 2024** which is a week prior to the end of Term Two.

This form is only an application for a place at the school. Offers of places will be made on the basis of applications received by that date. Official enrolment documentation will be posted to successful applicants for completion during Week 4 Term 3 2024.
